CEDAR CREEK.

Elds. Livingston and Rogers will begin a protracted meeting at Pine Grove Monday night and continue through the week.

The Sunday school at Sugar Grove has been changed from 2 p. m. to 9 a. m., so as to give the people the advantage of the Sunday school at Pine Grove. Everybody is invited to come next Sunday morning at 9 o'clock and bring their friends with them.

Mrs. Thena McFadden better known as "Grandma McFadden," has been on the sick list but is reported as much better. J. C. Kerr was in our vicinity Sunday to see a young lady. Richard Chandler was with the home folks Sunday. James Chandler has been suffering with a sprained knee as the result of his horse falling with him.

Miss Muggle Livingston is ill of typhoid fever. Mrs. Calvin Whitt left last week for Columbia, Tenn., to spend the winter with her daughter. Mitchell Whitt has moved into his mother's house and Moses Sord has rented the house vacated by him. Mrs. G. W. Edwards and children visited her daughter, Mrs. Stephen Wilburn, at Carlin. James Manuel, of Lebanon Junction, is with his father here. Mrs. Mollie Turnbull is very sick with malarial fever.

Let It Pass.

Be not quick to take offense.
Let it pass!
Anger is a foe to sense;
Let it pass!
Brood not darkly o'er a wrong
Which will disappear ere long
Rather sing this cheery song:
Let it pass!
Echo not an angry word,
Let it pass!
Think how often you have erred;
Let it pass!
Any vulgar souls that live
May condemn without reprieve,
'Tis the noble who forgive;
Let it pass!
If for good you've taken ill,
Let it pass!
Oh, be kind and gentle still;
Let it pass!
Time at last makes all things straight,
Let us not resent, but wait,
And our triumph shall be great;
Let it pass!
Bid your anger to depart,
Let it pass!
Lay these homely words to heart,
Let it pass!
Follow not the common throng,
Better to be wronged than wrong;
Therefore sing this cheery song:
Let it pass, let it pass!

The Kentucky Court of Appeals has decided that a dead man must be tried on charge of shooting to kill. In a decision handed down Friday, the court sustains Judge Shaw, of Kenton Circuit Court, who ruled that when George Woelfel shall be released from Lakeside Insane Asylum he must stand trial for shooting Richard Stewart, a millionaire in Covington. Woelfel passed beyond the power of courts more than a month ago when he committed suicide by cutting his throat in Cincinnati. He was at that time under bond, having been released from the asylum as cured. No record of the man's self-destruction reached the Court of Appeals and in the ordinary routine of that court the Woelfel case was passed upon, the law alone being considered.

Dr. Finn's Testimony Interesting.

Dr. Thomas Finn, of Boonsboro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. Penny's Drug Store.

Cobbler My shop's burnt down. I stuck to it to the last, but it was of no use. I lost my awl!

Saintley—Alas! Then you didn't have a sole! You'll be on your uppers for awhile, but time heels all, and I hope soon that you'll be pegging away again and make up your losses and something to boot!

Cured of Lame Back After 15 Years of Suffering.

"I had been troubled with lameback for 15 years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gilliam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by all druggists.

Wilbur R. Smith's Business College Lexington, Ky., opened with students in attendance from 16 states, several being from this section. Others from this county are expected to enter later.

Enjoyable And Profitable Sunday School Convention.

The first meeting of the "International Sunday School Convention" of Lincoln county was held in Crab Orchard at the Baptist church there on the 22nd, 23rd and 24th inst., with large and enthusiastic audiences. On Friday evening the large number of delegates and home Sunday school workers present were addressed by Hon. W. J. Brown, of Somerset, the State president of the association. He talked very delightfully on "Civic Righteousness," speaking regretfully of the "money made" Americans and the terrible "graft" which is practiced by the politicians of our large cities, but commended very highly the work of Gov. Folk, of Missouri, and Mayor Weaver, of Philadelphia, who, in the face of those powerful political rings, had the manhood to down their movements, overthrow their leaders and establish "civic righteousness" instead.

To the workers in this movement it is gratifying to know that the politicians and professional men of our country are so much interested in this world wide movement, the International Sunday School work.

On Saturday quite a number of delegates from the county were present and great interest was shown by prominent men in all walks of life in this great and aggressive movement. The Rev. E. R. Fox, of Louisville, who is of national renown in this work, was present and gave help and inspiration in the organization of a permanent association. Mr. W. J. Vaughn, the field worker, was also present and gave very helpful talks on the Sunday school work, and especially interesting were his own experiences in the mountains of Kentucky, in which field he is earnestly working.

Revs. Glass, Huey and Omer, ministers to our Stanford churches, who are always so consecrated and active in all good work, gave splendid discourses, and added greatly to the success of the convention. Officers for the ensuing year were elected: Rev. O. M. Huey was elected president; Hon. P. M. McRoberts, vice president, and Mr. J. C. McClary, secretary and treasurer. The officers were wisely selected and it is felt that this great co-operative work will be successfully carried on under the management of those chosen.

The closing session of the convention was held Sunday night and was indeed a delightful feature of the meeting. Rev. Fox, who had recently returned from the Holy Lands, gave interesting descriptions of the sacred places he visited, and made his lecture very impressive by the use of stereopticon views taken on his recent trip.

The hospitality of the Crab Orchard people to the delegates present was very pleasing and every person there was indeed grateful to the good people of the town for giving them such a great and profitable convention.

VAN A.

YOSEMITE.

Hon. Charles Montgomery, of Liberty, was in town on business. F. E. Kelsay, our enterprising druggist, is having lots of trade.

We had a downpour of rain the other night which lasted for several hours. As a result, the weather, which had been intensely hot, is now cool and pleasant.

Our fishermen are all astir since Nath Hicks, of Middleburg, caught a cat fish last week that weighed 16½ pounds and measured 31 inches in length. He caught the monster at the famous High Bank, just below Middleburg.

I notice your Hustonville correspondent failed to mention the ball game played between Middleburg and Hustonville at the picnic Saturday, which resulted in a score of 16 to 2 in favor of the former. How about that Bro. Williams?

Miss Ettie Lee Kelsay left for Monticello to visit her brother, J. P. Kelsay, who is an up-to-date druggist in that town. W. C. McIntosh and family will locate in Monticello. Cowan & McCormack were in town buying cattle and sheep. Mrs. B. Lawhorn is in Cincinnati buying in her fall stock of goods. Glancey McWhorter and wife have taken rooms and gone to housekeeping at Hotel Short.

Hard to Find.

It would be hard to find a more perfect, curative medicine for disordered digestive organs than that gentle tonic known as Dr. Caldwell's (laxative) Syrup Pepsin. No other medicine has its specific power over these delicate and important organs of your body, upon which you have to depend for energy to carry on your daily work. It cleanses, digests, stimulates and cures. Sold by G. L. Penny, Stanford, and C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

Thomas Johnston was literally saved in two at a sawmill at New Washington, Ohio.

The National Fox Hunters' Association meet will be held at Bardstown, week beginning November 13. The committee, composed of Owen Tyler, Ford Bohne, Woods Walker, Sam Woodbridge, Roger Williams and R. J. Finck, appointed by President Nat Halstead, unanimously decided that Bardstown is the ideal place for the meet.

Critically Ill.

Many people are critically ill, as a result of disturbance of their digestive functions, and don't know it. If you are suffering from dizziness, heartburn, wind, loss of appetite, irritability, headache, nausea, colic, constipation, waste no time, but take Dr. Caldwell's (laxative) Syrup Pepsin. It may be the means of warding off a dangerous sickness. At any rate, it will surely make your distressing, disruptive symptoms disappear. It is safe, certain and pleasant. Try it. Sold by G. L. Penny, Stanford, and C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

She—I don't understand this wireless telegraphy.

He—It is very easy. They just send messages through the air, instead of over the wires.

She—I know, but how do they attach the air to the poles?

How to Live.

Life, after all, is never very happy if a person is constantly sick. "How to live" is largely a question of "how to be well." The answer to both is, keep your main health communications—stomach, liver and bowels—in good order with Dr. Caldwell's (laxative) Syrup Pepsin. It is a reliable, safe and pleasant cure for headache, constipation, colic and all symptoms of the digestive trouble. Sold by G. L. Penny, Stanford, and C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

HON. R. L. HUBBLE.

The above is a splendid likeness of Mr. R. L. Hubble, familiarly known to his legion of friends as "Took." Mr. Hubble is one of Lincoln county's staunchest citizens and most successful farmers and stockmen. He owns two fine farms and makes both of them yield a good profit. He has never before asked for office, but certainly no democrat in this section has had more right to demand political preferment, for since he was old enough he has worked valiantly for the party of parties. Mr. Hubble is the democratic nominee for State Senator from the counties of Lincoln, Boyle, Garrard and Casey, and although the district is republican he is about as certain to represent it in the next Senate as any thing can be. His extreme popularity and good political strategy make him a "sure thing" in the race against Mr. Davis, of Boyle, on Nov. 7th, next. Mr. Hubble was born Jan. 16th, 1862, his ancestors having come from Virginia, a large and influential relationship now being in this and adjoining counties. His wife was Miss Sallie Logan, a refined and cultured lady; belonging to one of the best families in the county, one son and one daughter being born to bless their home. His experience as a farmer and trader has given a knowledge of the relations existing between that and other classes and the legislation required to protect the rights and interests of each. Believing in fraternity, he is a member of the I. O. O. F. and the K. P. lodges, and a member of the Christian church. His fidelity to the democratic party has been frequently manifested by the part he has taken in many heated campaigns by contributing funds, aiding in organizing the party and bringing out the vote. He made the fight before the Senatorial committee at Danville, which resulted in giving Lincoln county the right to name the Senator for the ensuing term. His zealous efforts in behalf of the party when the lamented Goebel was a candidate, resulted in an indictment against him and two others on the charge of violating the election laws, they being taken before a Federal court, which dismissed the indictment. He has served as election commissioner for Lincoln county and filled other places of trust. He was a member of the democratic county committee for four years and no man did more for the success of the party. In fact to him is due a great deal of the credit of bringing Lincoln county out of the slough of republicanism. Individual success has generally been the standard by which a man's ability to discharge the duties of a public trust is measured, and when this test is applied to Mr. Hubble he meets all the requirements, having been very successful in every enterprise.

IN NEIGHBORING COUNTIES.

At a meeting of the Hume Coopers' creditors at Richmond, Waller Bennett was elected trustee. Claims aggregating several hundred thousand dollars were approved. This company, which was the second largest of its kind in the United States, went to the wall some two months ago, owing nearly \$400,000. A number of suits have been filed by the Hume interests in the Madison Circuit Court.

The general shifting and changing around of things in Livingston, indicate that there is still something in store for that town. We are reliably informed that an order has been made to move the depot back some 30 or 40 feet so as to give room for two more tracks, all the sidings are being supplied with new ties, and the coal bins are being repaired. It is the general belief that as soon as the yards at South Louisville can be put in readiness, that Lebanon Junction will be done away with, and all freight trains run from South Louisville to Livingston, making Livingston the terminus of the K. D. trains.—Mt. Vernon Signal.

THE republicans have made their ticket and now the democrats know with whom they must lock horns. Let the latter buckle on their armor and begin at once the building of such an organization that will make their republican opponents grow sick at heart and throw up the sponge. Because several of the democratic nominees have no opposition is no reason why they should stand back and let their less fortunate running mates do all the work. The rads may name a full ticket yet, so be ready, whatever may be done. Lincoln is a democratic county and it should be managed by democrats. It hasn't a republican in office now; let the same be said after January 1st.

VIRGINIA has just tried the primary method of nominating State officers and while it works satisfactorily, it developed that the expense made it so that no poor man need apply. Thomas S. Martin, nominated for the United States Senate, spent \$11,000, the main items of which were clerk hire, postage and traveling expenses. Claude A. Swanson, nominee for governor, spent nearly \$10,000. W. H. Mann, also a candidate for governor, expended nearly \$6,000, and there was hardly a man whose expenses were not in excess of a year's salary of the office he sought.

THE Democrats of Ohio opened their State campaign Saturday to a great outpouring of people at Newark. John M. Pattison, nominee for Governor, delivered the principal address. The Republicans opened their campaign at Bellefontaine, with speeches by Gov. Herrick, Vice President Fairbanks and Senator Foraker.

Senator Foraker's speech in the opening of the Ohio campaign is regarded as foreshadowing a defeat of President Roosevelt's railroad rate legislation at the next session of the Senate.

The Republican campaign in Hopkins county was formally opened at the courthouse in that city Saturday. Former Gov. W. O. Bradley was the principal speaker of the day, and a large audience greeted him.

Chairman Taggart, of the Democratic National Committee, says that no member or agent of the committee ever asked President McCall, of the New York Life Insurance Company, for a contribution to the campaign fund.

The Republicans of Madison county in convention only nominated for Sheriff, Jailor and Surveyor. George Todd, of Bransfield, was nominated for Sheriff; L. O. Shearer, for Jailor and S. S. Parrish, for Surveyor.

To The Voters of Waynesburg Magisterial District.

MY FELLOW CITIZENS.—In answer to the many questions that have been asked me as to how I stand on the road question, I will answer by a card in the Cheapest and Best by saying that I am strictly in favor of a good road system, a system that will give us better roads, as I think good roads enhance the value of our lands. I am also in favor of complying with the law which provides that the fiscal court shall furnish tools to work the county roads. If elected to the office of magistrate I promise to discharge the duties pertaining to the office to the best of my ability.

Respectfully,

REAL COMIC OPERA.—The people of Central Kentucky will have a rare opportunity to see a splendid comic opera at the Danville Opera House next Monday evening, October 2nd, when the Herald Square Opera Company will present *Said Pasha*. The Danville Opera House is now under new management and has been completely remodeled and beautified. The opera to be presented Wednesday evening is made for laughing purposes but withal contains many of the rare, exquisite vocal gems, duets, quartets and ensembles which has made it so popular everywhere. The adventures of Haydad in search of an imaginary long lost daughter, to be recognized by a porous plaster between the shoulders is very ludicrous. The burlesque three cornered duel between the two montebanks and the Pasha is a laugh producer of high water mark. While in winter the Herald Square Company produces the more pretentious operas, the summer and early fall months are given over to the lighter kind which is now termed "refined burlesque," and in this capacity its reputation for clean, wholesome musical comedy is a very enviable one. Stanford people who wish to attend this performance may have tickets reserved by addressing Adams and Embury, Mgrs. Danville Opera House, Danville, Ky. Prices, 75c, 50c and 35c.

"TRAVELERS' REST" BURNED.—"Travelers' Rest," the historic old country home of Mr. I. Shelby Tevis, in the Shelby City section, burned Friday afternoon. An effort was made to burn a wasp nest in the attic, when the fire caught and in an instant the famous old house was ablaze. The building was erected in 1782 and was once the home of Isaac Shelby, the first governor of Kentucky. We are told that Mr. Tevis had \$3,500 insurance.

LEG BROKEN.—Richard Denny, of Denny Bros., turfmen, was removed to Gray-street Infirmary this morning suffering from a fracture of the right leg above the knee. THE Alfalfa and Corn Special, sent out by the Agricultural Department and with Commissioner Hubert Vreeland in charge, arrived yesterday afternoon and was met at the depot by 100 or more of our people, who enjoyed the lectures by Joseph E. Archer, representing the Courier Journal, was with the party.

ONE of the most elegant social functions of the season was a six o'clock dinner given by Mrs. J. S. Owsley, Jr., on Friday evening, Sept. 22nd, in honor of Mrs. Thomas Owsley, of Bowling Green. The house was brilliantly lighted and beautifully decorated, the library in pink roses and pink candles, while the decorations in the dining room were of white and green. Covers were laid for 12 and the table was very elaborate with smilux and white China astors. The color scheme was carried out thro' the entire dinner of eight courses, the green candles being used in the handsome silver candelabras, and the cakes, which were served by Miss Benedict, of Louisville, were iced in white and green. Handsome place cards were at the plates of the guests and the entire dinner showed originality of taste and design, further adding to Mrs. Owsley's reputation as a charming hostess. Those present were: Mesdames Thomas Owsley, Wm. Severance, Clarence Tate, James Baughman, J. S. Rice, J. B. Foster, T. A. Rice, W. H. Shanks, J. B. Paxton and Misses Emma and Linda Owsley.

COAL.—Let us fill your coal house with good coal while the weather is favorable. Quality and prices to suit everybody. J. H. Daughman & Co.

DAVE BORTON says our Kingsville correspondent is wrong in stating that a little daughter recently arrived at his home. All his children are democratic boys, he says. His brother, James Burton, is the lucky man with a new daughter.

THE Casey County News says that the editor of this paper was at the Jones & Kelsay picnic pleading with the people to vote against the republican nominees and free turnpikes. Brer Thomas manufactured this little white lie out of whole cloth. We did neither. Always anxious for and glad of democratic success, we would like to see the magnificent ticket headed by Mr. Lefe Sharpe win and had we any influence with the voters of Casey county we would use it in behalf of that splendid lot of gentlemen. Anent the turnpike question we care not. If we lived in Casey we would vote for the continuation of the good pikes that county now has a right to be proud of. The only thing we recollect to have said on the pike question was in a little discussion with a gentleman we did not know. He was an ardent "free piker" and we suggested that his arbor might be cooled a little if he would drive from the Casey line to McKinney, which is we truly believe the meanest piece of road in Kentucky. In this Mr. Thomas acquiesced and from what he subsequently said we came home believing him an advocate of good roads and against the free system. Possibly he has changed his platform since Lincoln Wells defeated him in the "beauty ring" at the picnic mentioned above.

THE REPUBLICAN CONVENTION.—That all is not harmonious and beautiful in republican ranks was plainly shown at the convention held here Saturday afternoon. It was a cut and dried affair and the fellow who was not on the slate to win had about as much show to do so or to carry his point as a bob-tail bull in fly time. The convention was called to order by county chairman, Dr. R. L. Davison, who was made permanent chairman. Thomas W. Napier was chosen permanent secretary. Strange as it may appear, the cart was hitched before the horse and instead of nominating candidates for the more important offices first, the minor ones were given consideration. Sam F. Reynolds nominated Gus Geisel for magistrate in the East End, Ben B. King named Matt J. Reynolds for magistrate in the West End and C. L. Ashley for coroner. J. Frank Rigney presented the name of A. C. Carman for magistrate in the Stanford district, and W. A. Horton that of Wash Cook for magistrate in the Wadesburg district and all were declared the nominees of the grand old party. Peter Straub and Ike Terry were then voted for jailer and Straub won easily. Mr. Straub is a brother-in-law of Dr. Davison. Mr. George D. Florence read a resolution endorsing the nomination of George R. Davis for State Senator, condemning the present road and pike working system and incidentally declaring for Joe Phelps, postmaster at Wadesburg, for judge; Sidney Danbar, of Hubble, for sheriff; and W. Baker Hubble, a school teacher from the Wadesburg section, for Representative. The resolution carried with a whoop and the ticket was completed. A yell, "nominate a full ticket," went up and a popular chord having been struck, the convention in an instant was in an uproar, but a quietus was put to the demand by the chairman declaring the convention adjourned. The ticket is not a pleasing one to many republicans and if it is not repudiated at the polls to a great extent, what is being said about it now will have to be forgotten or taken back. Nobody believes that Mr. Dunbar, who was not at the convention, will accept the nomination and many do not take Mr. Phelps' nomination for county judge seriously. It is generally conceded that there is more desire on the part of the republicans to get the fiscal court than the county offices. They are also said to be anxious for the scalp of Hon. Jesse M. Alverson, the democratic nominee for Representative, but its dollars to doughnuts that they will not get it.

FOR RENT.—VanDeveer house with garden, barn and lot, Somerset Street. Nancy VanDeveer.

THE Ladies' Aid Society, of the Baptist church, will have an exchange at E. L. Reinhart's store Saturday, 30th.

REMEMBER the reunion of the Blue and the Gray near Kingsville beginning to-morrow and continuing over Friday. The old soldiers are looking forward to a great time.

MR. D. R. ADAMS, democratic nominee for magistrate in the Waynesburg district, states his position concisely on the road question in a card this issue. Read it and see if his views on that subject are not about right.

JESSE D. WEAREN, representing the Home of New York, paid William Hughes his loss by fire in full. Mr. Wearen, for the Hartford, paid Mrs. W. S. Jones for damages caused by fire and water when her husband was fatally burned.

THE death of my husband has imposed upon me the serious responsibility of maintaining and educating my four small children, and my means are quite limited. I wish to ask the aid of all in my effort to continue my husband's business as a method of support. I am receiving a nice line of fresh goods and shall be very grateful to those kind enough to patronize me. Mrs. W. S. Jones.
